Professional Summary

IT undergraduate with hands-on industry experience in project management and business analysis. Managed multiple client software projects end-to-end in ClickUp, coordinated developers and timelines, authored 15+ project proposals, and pitched solutions to stakeholders. Combines this experience with strong technical skills, having delivered 3 production websites using React and Next.js and developed user-centered designs in Figma. A quick learner and self-motivated professional expected to complete a BSc (Hons) in Information Technology in late 2026 while pursuing a Diploma in Human Resource Management.

Tools and Technical Skills

- **Project & Business:** Project Management, Business Analysis, Requirement Gathering, User Stories, Process Mapping, Scope Management, Stakeholder Management, UAT, Client Communication, Technical Documentation
- **Tools & Platforms:** ClickUp, Git, GitHub
- **Programming Languages:** JavaScript, PHP, HTML5, CSS3
- **Frontend:** React, Next.js, Vite, shadcn/ui, WordPress
- **Backend:** Node.js, Express, Laravel, RESTful API Integration
- **Databases:** MySQL, MongoDB
- **UI/UX:** Figma, Canva, Design Thinking, User-Centered Design, User Research, Wireframing, Prototyping

Professional Experience

Software Engineer Intern (Software Engineering & Project Management)

Feb 2026 – Jun 2026

E Zone Technologies (Pvt) Ltd - IT Solutions Department

Sri Lanka

- Authored 15+ proposals and quotations for POS, parking, LMS, gold-loan, and CCTV systems, converting client requirements into specifications and change requests.
- Supported in pitching a smart parking system to the Colombo Municipal Council, presenting to the Deputy Mayor, Parliament members, and HNB Bank representatives.
- Managed projects with ClickUp, coordinating developers, timelines, bugs, reviews, and requirements.
- Guided 10+ clients through bug reporting, fix verification, onsite UAT, end-user training, and outage communication.
- Delivered 3 production websites (ezone technologies.lk, ezoneitsolutions.com, goldencastlechess.com) using React, Next.js, Vite, and shadcn/ui, from requirements through deployment.
- Deployed a Laravel self-printing kiosk with admin and customer portals and printer integration.

Research

Final-Year Research Project

2025 – 2026

Observability for Autoscaling Correctness in Kubernetes-Based Systems

- Designed an HPA evaluation framework using Scale Reaction Delay (SRD), Scale Effectiveness Score (SES) and a rule-based classifier to assess scaling decisions from using observability data without modifying the autoscaler.

Projects

ElderCare Connect - Progressive Web App - React | Source: GitHub

- Built an accessible React PWA frontend supporting older adults with safety, health-monitoring, and social-engagement features.

HealthPulse Sri Lanka - Healthcare Platform Design - Figma | Source: Figma

- Designed an accessible community healthcare platform in Figma, producing user research, wireframes, interactive prototypes, and high-fidelity mockups.

Education

BSc (Hons) in Information Technology - First Class, GPA 3.810/4.002022 – 2026 (Expected)
University of VavuniyaSri Lanka

Relevant Coursework: Project Management, Human Computer Interaction, Software Engineering, Software Quality Assurance, Advanced Web Programming, E-Commerce, Database Management Systems, Management Information Systems.

Diploma in Human Resource Management (Reading)2025 – Present
IMBS Green CampusSri Lanka

Higher National Diploma (HND) in Information Technology2021 – 2023
University of Colombo School of Computing (UCSC)Sri Lanka

Awards

- **University Prize – Level 3**, for the best performance in BSc (Hons) in Information Technology, University of Jaffna, Sri Lanka2023
- **Faculty Award – Level 1**, for the best overall performance in BSc in Information Technology, University of Vavuniya, Sri Lanka2021
- **Special Award - Most Dedicated Sports Council Member of the Year**, University of Vavuniya2025
- **University of Vavuniya Half Colours for Badminton**2025

Leadership & Volunteer Experience

- **Chair**, IEEE WIE Student Branch Affinity Group, University of VavuniyaOct 2024 – Oct 2025
- **Editor**, Sports Council, University of VavuniyaJan 2025 – Jan 2026
- **Vice Captain**, Women’s Badminton Team, University of VavuniyaJan 2025 – Jan 2026
- **Vice Chair – Program**, IEEE Sri Lanka Section, Challenge Sphere 2024 National ProjectMay 2024 – Oct 2024
- **Vice Chair**, IEEE WIE Student Branch Affinity Group, University of VavuniyaOct 2023 – Oct 2024
- **Program & Secretary Coordinator**, IEEE SLSAC Collaborative Activities Sub CommitteeMar 2024 – Mar 2025
- **Ambassador**, G17 University Ambassadors Consortium, University of VavuniyaMar 2024 – Mar 2025
